CDS exports arrived declarations (consolidated into a MUCR) for GVMS routed via a Dover DEP

Dear Customers,

Please be advised that HMRC have agreed a temporary arrangement that will allow the arrival of consolidations at either of the Frontier Dover DEPs listed below for goods are exiting the UK via either of the Dover GVMS locations.

How does this impact me?

This arrangement will come into effect from Monday 4th March at 10:00am. You may notice that you do not receive a DMS notification (DMSEOG) immediately after the vessel carrying your goods has departed. This message will be returned to you between 24 – 72 hours later. If you have not received a DMSEOG after the 72 hours, we suggest you contact the Dover DEP where your consolidated goods were arrived. The DEP operator will then take the appropriate action.
